2. Our Investment Advisory Services

In our capacity as an investment adviser, we offer financial planning services, asset management services, and other investment advisory services to individuals and entities. These services are described in further detail below.

3. Our Tailored Professional Services

We offer our clients personalized investment advisory services and financial planning services for a fee. These services are collectively called Tailored Professional Services ("TPS").

If you choose to become a TPS client, you will be entitled to personalized investment advisory services and financial planning services from us for a term of 12 months. The initial 12-month term begins on the date that you sign the Investment Advisory Agreement ("IAA"). You may renew prior to the end of each term for an additional 12-month term of service.

The following services are included as part of the TPS program:

- A written financial plan with recommendations and strategies for cash management (banking), wealth accumulation and management (investing), and risk management (insurance) during your initial term of service.
- An updated written financial plan during any renewal term in which you report a material change to your circumstances.
- Reasonable personal or telephone access to the Advisor for continued financial advice.
- Access to First Command’s web features.
- Periodic financial reviews or “progress meetings” with your Advisor within the Service Period.
- When appropriate, and with your consent, bringing together other professionals independent of First Command to augment the TPS program. Such outside professionals may include a CPA/accountant, tax analyst, estate planner, attorney, real estate specialist and/or financial product specialist. Please note that First Command does not provide legal or tax advice and the TPS fee does not cover fees that may be charged and billed separately by other professionals.
In addition to the above services, we will also provide you with other advisory services based upon your specific situation and needs. At the beginning of the initial term, as well as at each renewal term, you and your Advisor will discuss the services expected to be provided during the term when negotiating the fee for that term.

In order to provide you with TPS, our Advisors will gather detailed information from you to determine your existing financial condition, attitudes, goals, risk tolerance, and planning horizon. We rely on you to provide us with your complete financial situation, goals and needs, as well as any updates to your situation. Any financial plan and/or other financial planning recommendations prepared for you will address your current financial circumstances and goals, and will be based on the information you provide on questionnaires, documents, and during interviews with your Advisor. We will work collaboratively with you and encourage you to be an active participant in all discussions related to the advisory services we provide to you.

In addition to providing you with financial planning services, you will also receive recommendations for specific products.

4. Limited Advisory Services Without a Fee

At our discretion, we may also provide investment advice and financial planning services to clients who may not be TPS clients or Asset Management Solutions (“AMS”) program clients without charging an advisory fee. As noted above, we also do not charge TPS fees to active-duty military clients and their dependents.

5. Our Asset Management Solutions™ Program

As part of our AMS program, we offer two services: the Foundations Investment Program and the Select Investor Program. The AMS program enables us to provide you with customized investment portfolio options composed of mutual funds and/or exchange-traded funds managed by our Investment Management Team.
If you desire to invest in our AMS program, your Advisor will provide you with a copy of our Wrap Fee Brochure which explains the AMS program, including details about fees, features of the program, etc.

If you participate in the AMS program, First Command will manage and periodically rebalance your account assets consistent with the asset allocation for your chosen model portfolio. First Command does not monitor AMS accounts on an individual basis. First Command also will not monitor any other types of accounts, including those held by clients who participate in its TPS program.

First Command and your Advisor will each share a portion of the wrap fee charged to you for your participation in the AMS program.

6. Assets Under Management
As of September 30, 2020, First Command manages $14.7 billion on a discretionary basis as part of its AMS program.

7. Investment Advisory Agreement
In order to obtain investment advisory services from First Command, you will be required to enter into an Investment Advisory Agreement ("IAA"). An Investment Management Agreement ("IMA") also will be required for clients opening an AMS account. These agreements are designed to clearly define the roles and responsibilities that you have as a client and that First Command has as a service provider. One clause in each agreement discusses how disputes between you and First Command will be resolved. The agreements require that you submit a dispute to either mediation or arbitration. By consenting to mediation or arbitration, you are not waiving any of the protections afforded to you by federal or state securities laws, rules, or provisions.

We may update our service offerings from time to time. However, we will continue to honor our obligations under agreements entered into with existing clients until notice is provided otherwise or until a new agreement which replaces the existing agreement is signed. Existing clients who choose to take advantage of new offerings may be required to sign a new agreement.

B. FEES AND COMPENSATION
Our fees and compensation for the above-described investment advisory services are as follows:

1. Our TPS Fees and Compensation
   - **Fee.** The fee you pay for TPS reflects the time and effort which First Command and your Advisor will devote to providing you with personalized investment advisory services and financial planning services, as well as our training and experience.

   First Command will calculate the initial fee for TPS based upon your income and investable assets, the complexity of your situation, and the experience and credentials of the Advisor assigned to you.

   The fee will be between $750 and $6,000 and will be valid for the initial 12 months term only. The fee is negotiable and will be payable when signing the IAA. You and your Advisor will discuss the personalized investment advisory services and financial planning services expected to be provided during the term when negotiating the fee for that term.

   - **Renewal Terms.** The fee for each 12-month renewal term will be determined in the same manner as the initial term.

   - **Refunds.** In the event you decide to terminate the IAA within five (5) business days after signing it, you will receive a full refund of the TPS fee you paid.

   - **Discounts.** First Command may discount, reduce, or waive TPS fees at its sole discretion.

   - **Active Duty Military Clients.** In recognition of the service and sacrifice that members of the U.S. military provide to our Nation, First Command will not charge TPS fees to active-duty military clients and their dependents.
• Compensation to Your Advisor. Both First Command and your Advisor will receive a portion of the TPS fee charged to you. This compensation is paid to Advisors for their time and effort in providing services to you.

2. Our AMS Program Related Fees Compensation

If you desire to invest in our AMS program, your Advisor will provide you with a copy of our Wrap Fee Brochure which explains the AMS program. Our Wrap Fee Brochure discusses the fees and compensation for our AMS program in detail.

3. Fees and Compensation Related to Brokerage, Insurance, and Banking Products

Commissions, fees, and other costs may be applicable should you desire to implement recommendations made to you for brokerage products offered by First Command Brokerage Services, Inc., insurance products offered by First Command Insurance Services, Inc. or banking products offered by First Command Bank. These fees and charges are in addition to and separate from the fees discussed above. Advisory fees discussed above related to the TPS and the AMS program are not offset by these commissions, fees, and other costs.

Our Financial Advisors receive compensation for the sale of brokerage (including fees from the sale of mutual funds), insurance and banking products. This practice presents a conflict of interest and gives our Financial Advisors an incentive to recommend products based on the compensation received, rather than on a client’s needs.

4. First Command Brokerage Services, Inc.’s Regulation Best Interest Disclosure

First Command Brokerage Services, Inc.’s Regulation Best Interest Disclosure includes information related to (1) material facts relating to the scope and terms of your relationship with First Command Brokerage Services, Inc. including the capacity in which it acts when providing services to you; (2) the material fees and costs that will apply to your transactions, holdings and accounts with First Command Brokerage Services, Inc.; and (3) conflicts of interest associated with First Command Brokerage Services, Inc. making a recommendation of a securities transaction or investment strategy involving securities to you. First Command Brokerage Services, Inc. maintains policies, procedures, supervision systems and other measures to help mitigate these conflicts of interest.

You will receive this disclosure prior to or at the time you receive a recommendation from First Command Brokerage Services, Inc. in its capacity as a broker-dealer. You may also obtain a copy of this disclosure by contacting your Financial Advisor, calling First Command’s Home Office at 800-443-2104 (overseas, call 817-731-8621), or visiting www.firstcommand.com.

You have the option to purchase brokerage products through other brokers or agents instead of our affiliate, First Command Brokerage Services, Inc.

C. PERFORMANCE BASED FEES AND SIDE-BY-SIDE MANAGEMENT

We do not charge performance-based fees. We also do not offer side-by-side management.

D. TYPES OF CLIENTS

In our capacity as an investment adviser, we offer advisory services to individuals, corporate entities, and trusts only. We do not do business with pension plans, investment companies, or institutional clients.

Should you desire to invest in our AMS program, the minimum initial investment requirement to participate in the Foundations program is $20,000 per registration type and the minimum initial requirement to participate in the SIP program is $50,000 per registration type.

We do not have a minimum account size or investment amount requirement to participate in the TPS program.
E. METHODS OF ANALYSIS, INVESTMENT STRATEGIES AND RISK OF LOSS

First Command’s Investment Management Team (IMT) conducts the firm’s due diligence on investment products offered to our clients and manages the day-to-day decisions for the model portfolios in the AMS program.

First Command requires the IMT to follow a disciplined approach in researching current and potential investments, with decisions based on:

- **Philosophy.** We are biased toward managers who select investments based on fundamental analysis of underlying business characteristics, comprehensive review of financial statements, and prudent consideration of risks including security valuation.

- **Process.** We demand alignment of the process with the stated philosophy and evidence of its consistency and successful execution over time.

- **People.** The character of the individuals who will manage our clients’ assets is of the utmost importance. We must maintain high confidence in the experience, integrity, and dedication of those who have primary responsibility for investment decisions and be comfortable with the teams which support them and the firm cultures in which they operate.

- **Price.** We must believe that the cost of a product is reasonable in the context of the value it can deliver for clients and in comparison to similar alternatives.

The IMT uses a variety of quantitative and qualitative techniques as part of its analysis, including many principles which have collectively become known as Modern Portfolio Theory. Modern Portfolio Theory is a theory of investment which attempts to maximize portfolio expected return for a given amount of portfolio risk, or equivalently minimize risk for a given level of expected return, by carefully choosing the proportions of various assets. Of course, while risk can be managed, it cannot be avoided. We do not guarantee the performance of any investments or guarantee that our investment advice or strategies or that of any Advisor will be successful or that your investment objectives will be met. Investment advice or financial planning recommendations provided by us or any Advisor are largely a matter of professional judgment, and neither us nor any Advisor with whom you have worked shall be liable for performance or non-performance of any investment advice or recommended investment made in good faith and with reasonable care. Investing in securities involves risk of loss that clients should be prepared to bear.

The sources of information used by First Command include research materials prepared by organizations such as Morningstar, Inc., financial periodicals, annual reports, prospectuses and the other documents created by the product issuers.

While we use the methods and tools noted above as part of our due diligence, each recommendation to a client is primarily built upon the client’s goals, needs, objectives, and attitudes towards risk. The recommendations generally have a long-term focus. The actual risks associated with the investments will vary depending on the particular investment chosen, but the most important risk—like with all securities—remains the potential for loss of principal and income. Other material risks include: (1) the possibility of costs even in case of negative returns; (2) lack of control (the fund manager or portfolio manager controls the buying and selling as well as the timing of those trades); and (3) price uncertainty (the price at which you purchase or redeem shares will typically depend on the fund’s NAV, which may not be calculated until many hours after you've placed your order). Stock market volatility, interest rate changes, inflation risk, interest rate risk, credit risk, political and country risk, management and company risk, etc. should also be taken into account.

F. DISCIPLINARY INFORMATION

First Command has not been subject to any reportable legal or disciplinary events.

H. CODE OF ETHICS, PARTICIPATION OR INTEREST IN CLIENTS TRANSACTIONS & PERSONAL TRADING

First Command has adopted a rigorous Code of Ethics that sets forth the high ethical standards of business conduct that we require of our employees and Advisors. Our Code includes applicable Federal Securities Laws, regulatory oversight, enforcement, and recordkeeping provisions.
A copy of our Code of Ethics is available to any client or prospective client upon written request to:

Chief Compliance Officer
Attn: First Command Code of Ethics
1 FirstComm Plaza, Fort Worth, TX 76109-4999

First Command, its parent company and affiliates participate in many of the same securities we recommend to you for their corporate holdings and their retirement plans maintained for employees. In all instances, the positions these companies maintain are small enough to have no impact on the pricing or performance of the security. First Command, its parent company and affiliates do not buy from, sell to, or otherwise enter into transactions for securities with clients or client accounts.

I. BROKERAGE PRACTICES

First Command Advisory Services, Inc. will recommend its affiliate First Command Brokerage Services, Inc. for all brokerage transactions.

First Command Brokerage Services, Inc. is an introducing broker-dealer. As an introducing broker-dealer, it recommends and effect securities transactions for you, including buying and selling securities that can be either held in accounts at Pershing LLC, its clearing firm, or held in accounts directly with the issuer of the securities purchased. Pershing LLC and First Command Brokerage Services, Inc. are not affiliated entities of each other.

Pershing LLC or the issuer of the securities purchased, as applicable, will be responsible for maintaining policies and procedures for aggregating the purchase or sales of securities for client accounts. Aggregation will generally not have an effect on the price you pay or receive when purchasing or selling mutual funds.

You may choose to use a broker-dealer other than our affiliate First Command Brokerage Services, Inc. for brokerage transactions, except for in our AMS program, if you desire to do so.

Not all investment advisers require their clients to use a specific broker-dealer. Directing brokerage may result in broker-dealers being unable to achieve the most favorable execution of client transactions, which could cost clients more money. In the case of mutual funds, it is important to note that the price at which you purchase or redeem shares will typically depend on the fund’s NAV, which the fund may not calculate until many hours after you’ve placed your order. In general, mutual funds must calculate their NAV at least once every business day, typically after the major U.S. exchanges close. As such, directing brokerage will generally not have an effect on the price you pay or receive when purchasing or selling mutual funds.

As previously noted, we recognize there is a conflict of interest when offering investment advisory services while our affiliates are also being compensated for the sale of brokerage, insurance and banking products. This conflict is disclosed to you in this brochure. First Command maintains policies, procedures, supervision systems and other measures to help mitigate this conflict of interest.

J. REVIEW OF ACCOUNTS

If you participate in the AMS program, First Command will manage and periodically rebalance your account assets consistent with the asset allocation for your chosen model portfolio. First Command does not monitor AMS accounts on an individual basis. First Command also will not monitor any other types of accounts, including those held by clients who participate in its TPS program.

We recommend that all clients meet with their Advisor on at least an annual basis for a review. During reviews, your personal financial information will be updated. You may require more frequent reviews depending on your particular situation or if a periodic review raises questions about your portfolio. You should contact your Advisor any time a material change in your circumstances occurs which might affect the manner in which your assets should be invested. A revised recommendation will be made, if appropriate.

For AMS accounts, account statements will be provided to you in writing or electronically on at least a quarterly basis. These statements will contain balances as well as transaction history for your account
during the indicated period. You should review your account statements and confirmations closely to ensure there are no unauthorized transactions in your account. You should notify us in writing within 30 days of receipt of your account statement or confirmation if you have any questions or concerns regarding the information contained therein. Unless you notify us within 30 days, we will not be responsible for any unauthorized transactions or other errors in your account.

K. CLIENT REFERRALS AND OTHER COMPENSATION

We do not receive any additional compensation for our advisory services other than as described in this brochure. We also do not pay fees to other parties for client referrals.

L. CUSTODY

We do not have custody of your assets. Pershing LLC is the custodian of assets and executes and settles all trades for AMS accounts. Pershing LLC will send you statements on at least a quarterly basis.

You should carefully review all statements received, ensure that they are accurate, and notify us immediately if there are any discrepancies.

M. INVESTMENT DISCRETION

If you participate in the AMS program, you will enter into an Investment Management Agreement whereby you will grant First Command authority to buy and sell securities in your AMS account without asking for your consent in advance (also known as “discretion”). This authority is valid until rescinded by you and it may only be exercised consistent with your chosen model portfolio and any other restrictions agreed upon by you and First Command. First Command will not have any investment authority for any other types of accounts, including those held by clients who participate in its TPS program.

N. VOTING CLIENT SECURITIES

For AMS accounts, we will have the authority to vote client securities. We maintain a Proxy Voting Policy, which is discussed in our Wrap Fee Brochure. You may write to the below address for a copy of our Proxy Voting Policy for AMS:

   Attn: Proxy Voting Policy

G. WORKING WITH OTHER PROFESSIONALS

From time to time, your Advisor may suggest and, with your written permission, work with other professionals (i.e., estate planners, accountants, attorneys, etc.) in the development and/or implementation of your financial plan or delivery of other services. Such professionals may charge fees which are separate from, and in addition to, fees charged by First Command or any of our product providers. An Advisor’s suggestion of any other professionals to the client shall not constitute an endorsement of such other professionals by the Advisor or First Command. Clients engaging any such other professionals do so independently of the Advisor or First Command. Clients are solely responsible for all aspects of their relationship with any other professionals (including, but not limited to, independently interviewing, negotiating fee schedules, payment terms, hiring and firing, etc.).

In order to reduce the volume of mail you receive, when possible, only one copy of these documents will be sent to clients who are part of the same family and share the same household address.

Household-based mailings will be sent to your mailing address on file with us or will be delivered to you electronically if you have authorized e-delivery. To sign up for e-delivery, choose from these options:

Rather, this person’s role is to help us contact you; to provide the identity of any legal guardian, executor, trustee, or holder of power of attorney; or to help us look into possible financial exploitation.

You should choose someone that you trust to act on your behalf, will know how to reach you, and is at least 18 years old.

To designate, remove, change, or update your trusted contact, please contact your Financial Advisor or our Home Office at 1 FirstComm Plaza, Fort Worth, TX 76109-4999 or call 800-443-2104 (overseas 817-731-8621).
IV. INVESTMENT ADVISORY AGREEMENT

First Command Advisory Services, Inc. ("First Command," “We” or “Us”) is a Registered Investment Adviser. Client (“Client” or “You”) has requested investment advisory services from First Command. First Command will service Client’s needs through its investment adviser representatives (“Advisor” or “Advisors”). First Command and Client may individually be referred to as a “Party.”

This Agreement (“Agreement” or “IAA”) explains how First Command and its Advisor or Advisors will provide investment advisory services to You.

First Command and Client agree:

1. Disclosure; We will explain who We are and our services and products.

You have received a copy of First Command’s disclosure brochure called the Description of Services (“DOS”). The DOS tells You about First Command and its products and services. It is important to Us that You have the opportunity to ask your Advisor questions relating to First Command and its products and services.

You have the right to terminate this Agreement within five (5) business days after You have signed it. In the event You decide to terminate this Agreement within five (5) business days after signing it, fees for investment advisory services paid by You under this Agreement will be refunded.

Note: First Command will not charge any fee if You terminate this Agreement within five (5) business days of signature and We will return all fees paid by You under this Agreement. However, if You purchase securities prior to termination it will result in sales charges or commissions, redemption or other fees upon cancellation of the purchase and possible changes in the investment’s market position, either positively or negatively, all of which shall be your sole responsibility.

2. How We will serve You; our Tailored Professional Services.

We will provide personalized investment advisory services and financial planning services to You. These activities on your behalf are collectively called Tailored Professional Services (“TPS”). We will provide TPS to You for a twelve (12) month period beginning with the date of this Agreement (the “Service Period”).

The following services are included as part of the TPS program:

- A written financial plan with recommendations and strategies for cash management (banking) and wealth accumulation and management (investing) and risk management (insurance) during the initial twelve (12) month Service Period.
- An updated written financial plan during any renewal Service Period in which You report a material change to your circumstances.
- Reasonable personal or telephone access to the Advisor for continued financial advice.
- Access to First Command’s Web features.
- Periodic financial reviews or “progress meetings” with Advisor within the Service Period.
- When appropriate, and with your consent, bringing together other professionals independent of First Command to augment the TPS program. Such outside professionals may include a CPA/accountant, tax analyst, estate planner, attorney, real estate specialist and/or financial product specialist. Please note that We do not provide legal or tax advice and the TPS fee does not cover fees that may be charged and billed separately by other professionals.

In addition to the above services, We will also provide You with other advisory services based upon your specific situation and needs.
3. Fees.

The fee We will charge for providing You TPS will be based on your income and investable assets; the complexity of your situation; and the experience and credentials of the Advisor assigned to You. The fee will be between $750 and $6,000 and will be valid for the Service Period only. The fee is negotiable and will be payable when signing this Agreement.

You and your Advisor will discuss the personalized investment advisory services and financial planning services expected to be provided during the Service Period when negotiating the fee. The expected services and agreed-upon fee will be documented on a First Command TPS Service Form and signed by You. Your signature on this form will constitute your acknowledgment that the fee is appropriate considering the expected services to be provided. We note that the services which will be listed on the TPS Service Form are expected services only. Actual services provided may vary depending on a variety of factors, including your desires and level of engagement as part of the process, as well as our professional judgment regarding your needs after analyzing your situation. In the event that actual services require Us to expend greater time and effort than the expected services discussed when negotiating the fee, We reserve the right to require an additional fee from You. You will be notified that an additional fee is required prior to the additional required services being performed.

After the initial twelve (12) month Service Period, You may continue receiving TPS for each subsequent twelve month Service Period upon payment of a renewal fee. The renewal fee will be determined in the same manner as discussed above for the initial 12-month Service Period. You will be required to complete and sign a new First Command TPS Service Form. The renewal fee must be paid no later than 30 days from the end of the prior 12-month period (the initial period begins at the date of the Agreement).

The fee You pay for TPS reflects the time and effort which We will devote to providing You with personalized investment advisory services and financial planning services, as well as our training and experience. The fee is for advice and service related to Wealth Accumulation and Management (investing) and Cash Management (banking) only. No part of the fee covers or relates to insurance, although We may consider and recommend insurance options to You in our capacity as an insurance agent. Insurance products and services are compensated through insurance commissions only.

In addition to the fee for TPS, You may also pay commissions and/or management or service fees should You purchase products or services. You are not obligated to purchase any products or services recommended by First Command or our affiliates and will only incur fees, commissions or sales charges for the products purchased.

4. Information You must provide.

In order to provide you with TPS under this Agreement, We will ask You to provide information and financial data (“information”). It is important that the information You give to the Advisor is complete and accurate in all respects. Any financial plan and/or other financial planning recommendations prepared for You will address your current financial circumstances and goals, and be based on the information You provide on questionnaires, documents and during interviews with your Advisor.

5. We will not have custody of your assets; We will only act at your direction.

Neither First Command nor Advisor will hold or have custody of your assets, accounts or securities. Unless You invest in our Asset Management Solutions (“AMS”) program, We will not monitor or have any discretionary authority over your assets.

If You invest in our AMS program, You will be required to enter into an Investment Management Agreement (“IMA”) in addition to this IAA. The IMA grants Us discretionary authority over any accounts You hold as part of the AMS program. Any management fees paid by You under the terms and conditions of the IMA will be separate from and in addition to any fees paid by You under this IAA.
6. **Limited advisory services without a fee.**
At our discretion, We may provide investment advisory services to clients without charging a fee for advisory services.

7. **We can rely on your authority to act.**
You have the legal ability to enter into this Agreement and it is valid and binding. If You are acting on behalf of a corporation, limited liability company or partnership including a charitable organization such as a church (collectively “your company”), You state that your company has given You the authority to act. If We ask, You agree to provide other papers to prove your authority to act.

8. **Changes to your situation.**
In the event your circumstances change in any manner that You believe to be material or significant, You should call or write Us and explain the change. A material change is one of real consequence for your financial situation and is essential for Us to know and consider in providing guidance on important matters for You.

9. **How long does this Agreement last?**
This Agreement will continue unless cancelled by either You or First Command upon thirty (30) days written or electronic notice sent by one to the other.

10. **We can use affiliated companies and other providers of services to help You.**
First Command is a subsidiary, or part, of First Command Financial Services, Inc. (“FCFS”) and exchanges services with FCFS. First Command also exchanges services with First Command Brokerage Services, Inc., First Command Bank, First Command Insurance Services, Inc. and other subsidiaries of FCFS. You authorize us to use corporations affiliated with First Command (an “Affiliated Company”) to help Us serve You. This includes recommending First Command Brokerage Services, Inc. for all brokerage transactions. The Affiliated Company will be paid for providing this help. So that we may provide reasonable services to You, We will share with Affiliated Companies any information We have or may obtain about You. We will also hire any nonaffiliated companies (“Providers”) to help Us serve your needs.

11. **We do not provide legal or tax advice.**
First Command and Advisor will not provide You with legal or tax advice. You should seek the assistance of an attorney, CPA or other tax professional regarding the legal and/or tax ramifications of implementing recommendations We may make to You. At your request We will assist You in securing legal, tax or other professional services provided by independent professionals, including the members of the deliverables team. The choice of which legal, tax or other expert to select is your decision. The recommendation to You of an attorney, CPA or other professional does not constitute an endorsement of the professional by Advisor or First Command. Your engagement of any professional is independent of Advisor or First Command. Since neither First Command nor Advisor control your interaction with the other professionals, You are solely responsible for all aspects of your relationship with any other professionals (including, but not limited to, independently interviewing, negotiating fee schedules, providing direction, payment terms, hiring and firing, etc.), and You agree that First Command is not responsible for your decisions or liable for the results. First Command and Advisor will work in collaboration with your legal and tax professionals.

12. **If We do what You tell us to, We are not responsible for the results; indemnity if We follow your directions.**
First Command and the Advisor will not be liable to You for what We do or fail to do if done in good faith in reliance on the information You have given or your instructions to Us. You agree that You will indemnify, or compensate, Us and the Advisor for losses, costs, damages, or expenses suffered, including reasonable attorneys’ fees, that result solely from any action We take based on your instructions to Us or the Advisor in providing advisory services to You and purchasing at your direction products We may recommend. These limitations on our liability do not relieve Us or the Advisor from our responsibility or liability to You that may exist under state or federal law.
13. Transfer (assignment).
Neither You nor First Command may assign or transfer this Agreement or any part of it unless both You and First Command agree in writing to the assignment or transfer. This provision neither prohibits nor is intended to interfere with your right to transfer an account.

All of your private information that is collected as part of this Agreement, called nonpublic personal information, and all recommendations or suggestions will remain confidential. You authorize Us to share your nonpublic personal information with (1) Affiliated Companies, (2) Providers that give direct service to Us on your behalf, and (3) as otherwise permitted by law. We will use commercially reasonable efforts to have all Providers agree to protect your nonpublic personal information. For more information about our privacy practices, you may review the First Command Privacy Policy which is contained in the DOS.

15. Anti-money laundering representations.
Fighting terrorism and illegal activity is the responsibility of all persons. The evidence of identity and all related information You have provided in connection with this Agreement must be true and correct. You must provide any information deemed necessary by Us in our sole discretion to comply with the U.S.A. Patriot Act, the First Command anti-money laundering program and related responsibilities. In the event of delay or failure by You to produce any information requested in this Agreement or required for verification purposes, We may refuse to act.

You represent that neither You, nor any person controlling, controlled by, or under common control with You, nor any person having a beneficial interest in You or any company You represent related to this Agreement, is an individual, organization, or entity listed on the List of Specially Designated Nationals and Blocked Persons (the “OFAC Control List”) maintained by the U. S. Office of Foreign Assets Control (“OFAC”) (available at www.ustreas.gov/ofac/t11sdn.pdf), and that You are not investing and will not invest on behalf of or for the benefit of any individual, organization, or entity listed on the OFAC Control List.

16. Texas law controls this Agreement.
This Agreement is governed by the laws of the State of Texas, U.S.A., without regard to Texas conflict of laws rules, and shall remain in full force and effect unless terminated as stated in Section ‘10’ of this Agreement. This Agreement is binding upon the persons that come to control your interests and those persons to whom You transfer this Agreement with our consent.

17. Amendments or changes to this Agreement.
This Agreement may be amended or changed if We give You written notice or electronic notice of a change. Any such changes may only be done under applicable law and shall only be effective thirty (30) days after We mail written notice to You by U.S. mail to your last known address of record, or electronically deliver such notice to You pursuant to Your authorization.

18. Failure to enforce this Agreement does not prevent future enforcement.
If We do not enforce a part of this Agreement in a given instance, that does not prevent Us from enforcing the same or another part in the future.

19. Investments are subject to the risks of the marketplace; limitation on our liability.
Investments that You decide to make are subject to risks associated with investing in securities, including various market, currency, economic, political and business risks. We do not guarantee the performance of your investments or guarantee that our investment advice or strategies or that of any Advisor will be successful or that your investment objectives will be met. Investment advice or recommendations provided by Us or any Advisor are largely a matter of professional judgment, and neither We nor any Advisor with whom You have worked shall be liable for performance or non-performance of any investment advice or recommended investment made in good faith and with reasonable care.
20. What if there is a dispute between You and First Command?

We will attempt to settle a dispute between You and First Command or a complaint You have relating to this Agreement by working closely with You. If You are not satisfied with our efforts, disputes or complaints will be referred to mandatory mediation under the Commercial Mediation Procedures of the American Arbitration Association. The mediation will be non-binding. If either You or First Command do not accept the result of the mediation, there may be agreement for binding arbitration. Where there is no agreement to arbitrate the dispute, either You or First Command will be free to pursue any remedy to settle the dispute or complaint including a lawsuit. No part of this dispute resolution paragraph is intended to diminish your rights under the Investment Advisers Act of 1940 or the law of your state of residence.

21. This IAA states all of the agreements between You and First Command.

This Agreement states all of the matters upon which You and First Command have agreed. If a subject is not covered in writing in this Agreement then as between You and First Command it does not exist.

This Agreement shall not become effective until both First Command and Client agree to its terms and conditions in writing.

By signing below, First Command agrees to the terms and conditions of this Agreement.

Lori Sidrony, CFP®
Vice President, First Command Advisory Services, Inc.
