

## Disclosures

*The information in this report was prepared by John Weitzer, CFA, SVP, Chief Investment Officer of First Command and Matt Wiley, CFA, Director of Investments. Opinions represent First Command's opinion as of the date of this report and are for general informational purposes only and are not intended to predict or guarantee the future performance of any individual security, market sector or the markets generally. First Command does not undertake to advise you of any change in its opinions or the information contained in this report. This report is not intended to be a client-specific suitability analysis or recommendation, an offer to participate in any investment, or a recommendation to buy, hold or sell securities. Do not use this report as the sole basis for investment decisions. Do not select an asset class or investment product based on performance alone. Consider relevant information, including your existing portfolio, investment objectives, risk tolerance, liquidity needs and investment time horizon. Should you require investment advice, please consult with your financial advisor. Risk is inherent in the market. Past performance does not guarantee future results. Your investment may be worth more or less than its original cost. Your investment returns will be affected by investment expenses, fees, taxes and other costs.*
